

Spend - a feature of PowerCl Cimplifi Reporting. Cimplifi Spend.

PowerCI delivers complete transparency, cost visibility, and data monitoring across cases, your environment, and users—including activity history, storage, and workspace breakdown for easier cost control and recovery.

An intuitive dashboard built for reporting and metrics transparency, Spend offers insight into invoicing, historical and upcoming billing across all our products and applications, and monthly metrics for legal departments to control budgets, utilization, and spend.

KNOW WHERE YOUR DATA IS AND WHAT YOU SPEND ON IT

- Transparency into real-time data and the ability to view your hours, users, and storage.
- No more waiting on reports or having to build your own analysis of your invoices. View and control your costs and see over month comparisons at your fingertips in our easy-to-use dashboard.
