

Cimplifi is a RelativityOne gold partner and a leading managed services and migration partner.

Cimplifi has proven migration experience, and we can help your team drive adoption of RelativityOne, demonstrate value and ease, and create better user experiences.

When you need a trusted partner to migrate your data, you can rely on Cimplifi and trust that our migration experience is second to none. Here are a few examples of how Cimplifi has helped international law firms with their data migration needs:

### DATA MIGRATION CASE STUDY

**1,800 DATABASES | 3-MONTH DEADLINE | 2.4 TB | 2.2 M FILES**

When an international law firm with almost 1,000 attorneys spanning all the major practices needed to migrate their data from Relativity Server to RelativityOne, they relied on Cimplifi to manage a complex migration of 1,800 workspaces.

### DATA MIGRATION CASE STUDY

**989 DATABASES | 14-DAY DEADLINE | 1.44 TB | 1.1 M FILES**

When a law firm with an international reputation for litigation needed to migrate a practice group's critical workspaces, they trusted Cimplifi to get the job done successfully, and as quickly as possible. With 14 days to complete the migration, Cimplifi delivered.

### DATA MIGRATION CASE STUDY

**244 WORKSPACES | 48 TB | 59 M FILES**

When an Am Law 200 firm wanted to migrate from another hosting partner's Relativity Server to their own RelativityOne instance, they relied on Cimplifi to coordinate and drive the data migration. Migrating 59M files, 48 TB, and 244 workspaces, Cimplifi managed this delicate project with confidence and top-notch migration experience.
