

# Solving Your United Kingdom & Cross-Border Data Challenges

Cimplifi is your trusted partner for eDiscovery, forensics, and contract analytics and lifecycle management (CLM) delivering solutions that address your most pressing legal, regulatory, and operational challenges in the U.K. and across Europe.

## Why Clients Choose Cimplifi

**LOCAL EXPERTISE, GLOBAL STRENGTH** Our U.K. based team combines in-depth local knowledge with global best practice. We're not just an extension of our US team we're on-the-ground experts, ready to move your matters forward.

**DATA PRIVACY & COMPLIANCE** We understand the complexities of GDPR and U.K. data sovereignty. Your sensitive data remains local, ensuring compliance and peace of mind for even the most regulated sectors.

**SEAMLESS CROSS-BORDER SUPPORT** Whether you're expanding into the U.K. or managing multi-jurisdictional matters, we bridge the gap delivering consistent, high-quality service across borders. integrity and defensibility.

**RELATIVITYONE GOLD PROVIDER PARTNER** As a top RelativityOne Gold Provider Partner, we bring unmatched expertise in aiR and seamless migrations to RelativityOne. Our certified Relativity Masters and administrators ensure your projects are handled with the highest level of technical skill and security.

## How We Solve Your Problems

**END-TO-END EDISCOVERY** From data collection to production, we manage the entire process, reducing risk, accelerating timelines, and ensuring defensibility.

**FORENSICS EXCELLENCE** Our forensics team, led by experts with law enforcement and private sector backgrounds, delivers white-glove investigations, data breach response, and on-site device analysis, tailored to your unique needs.

**CONTRACT ANALYTICS & CLM** We streamline and automate your contracting processes, leveraging leading platforms (DocuSign, Ironclad, Relativity Contracts) and AI analytics to drive efficiency and reduce risk.

**ADVISORY & PROJECT MANAGEMENT** Our team guides you through platform selection, implementation, and process improvement, helping you make informed decisions and maximise return on investment.

## Real Results for Real Clients

As eDiscovery platforms integrate ChatGPT and LLMs, legal teams face new compliance risks. Cimplifi leads the way with AI-powered solutions that are safe, consistent, and fast.

### GDPR-Compliant eDiscovery

We've enabled clients to keep data in the U.K. and EU, meeting strict privacy requirements and avoiding costly cross-border transfers.

### Complex Forensics Projects

We support highly sensitive, large-scale forensic investigations, responding to regulatory enquiries, managing internal reviews, and addressing data breaches with confidence and discretion.

### RelativityOne Migrations

We've successfully migrated clients to RelativityOne, unlocking the power of aiR and cloud-based eDiscovery with minimal disruption.
